Exhibit 1

Dear Attorney Dayton and The New York Bankruptcy Court,

I have been on disability since 2001. My income is very limited and I get a small amount of SSDI.

When I heard about the Presidents HARP program around March of 2009 I contacted my Mortgage Holder GMAC to apply for a reduction in the interest rate and principal. I spoke with many representatives and filled out whatever forms they required. Some of the process and acceptance was over the phone and this was also recently confirmed by speaking with GMAC representatives and Greentree loan representatives (who have assumed my GMAC mortgage).

As you can see by the numerous emails to and from GMAC I was trying to refi to be able to afford my home. I had to cut back my lifestyle drastically over the years to keep paying the high interest rate when I was qualified for a HARP refi.

This has taken a lot of research and I need more time to further research and find whatever I can. I have contacted both GMAC and Greentree recently about seeing my files and seeing the requests for refinancing. They are unwilling or unable to help. The emails and documents I have found so far have proved my case. Logic also proves my case. If I was qualified for a loan at around 3%, on a limited and fixed small disability payment why would I keep paying over 6 plus % for the loan.

The First email I found is dated
Jan. 30, 2009 to Linda Maag GMAC Senior Loan Officer

The Second paperwork is dated April 8, 2009 requesting a hardship case loan modification. I filled out the required paperwork and have enclosed a copy. It even states in my own handwriting " **I would appreciate any help you can offer under the Presidents program**". I immediately found out under Greentree that the Harp refinance required little paperwork or effort and was immediately approved and my rate reduced... the same month GMAC turned the loan over to Greentree. However I repeatedly tried to refi with GMAC many times, was not offered help, continued to pay thousands in higher rates. I also clearly checked off to GMAC that I have suffered a permanent disability and a serious illness has impacted a household member. Clearly this is a clear case of **discrimination on the part of GMAC and violation of Federal laws for the handicapped and disabled.**

You can also see a paper dated 9 / 08 / 2011 from CREDstar Credit reporting sent from GMAC showing that I was applying (and wrongfully denied) a refi even though my credit was a very respectable rating of over 700 (not that that was required for a Harp refi). Again proving discrimination and wrongful denial of a qualified refinancing under Harp guidelines and Federal law.

There is also a letter dated 9 / 06 / 2011 contacting GMAC about my account. Again this was about the refinancing / Harp program.

I have clearly provided enough evidence to prove that I applied many times for a Federal program which I was qualified for and wrongfully denied by GMAC. GMAC and Greentree have not been truthfully forthcoming with relevant information but I have provided proof to you. I am sure with a little more time I can dig deeper and find more research and facts for the court if that is necessary. However I think the proof I have submitted it sufficient enough. I also again ask you to see the common logic. I knew about the program, I was qualified for the program, the program would help my financial situation to keep the house and make reasonable payments. Why would I continue to make double the interest payments unless I was wrongfully denied a Federal Government program by GMAC bank.

As you can see as soon as I was notified Greentree assumed my loan I immediately applied for the Harp program and was accepted.

Thank you for your consideration in the matter.

Sincerely,

Mark Ragonese

The current GMAC / Greentree
reps also said the approval/
denial was over the phone.
No letters were sent.

Hello Mark,

I spoke with you a few weeks ago about the option to convert your adjustable mortgage with us to a fixed rate for 15 years. Here are the terms that would apply to the change.

Program:	15 year fixed (180 months)	This will take 2 months off of your loan.
Rate:	6.125%	
Principal and Interest Payment:	\$968.00	
Costs:	\$990.00 (Title, Escrow fees)	

Please let me know what your thoughts are about the above changes. I feel that having a fixed rate in such a volatile market is extremely valuable. Let me know if you want to proceed.

Thank you,
Jared

NOTICE ABOUT YOUR RIGHTS

You should be aware of the following information, which is set out in more detail in Section 6 of the Real Estate Settlement Procedures Act ("RESPA") (12 U.S.C. §2605):

During the 60 day period following the effective date of the transfer of the loan servicing, a loan payment received by your present servicer before its due date may not be treated by your new servicer as late, and a late fee may not be imposed on you.

Section 6 of RESPA (12 U.S.C. §2605) gives you certain consumer rights. If you send a "qualified written request" to your loan servicer concerning the servicing of your loan, your servicer must provide you with a written acknowledgement within 20 Business Days of receipt of your request. A "qualified written request" is a written correspondence, other than notice on a payment coupon or other payment medium supplied by the servicer, which includes your name and account number, and your reasons for the request. If you want to send a "qualified written request" regarding the servicing of your loan to your new servicer, it must be sent to this address: Green Tree, PO Box 6176, Rapid City, SD 57709-6176.

Not later than 60 Business Days after receiving your request, your servicer must make any appropriate corrections to your account, and must provide you with a written clarification regarding any dispute. During this 60 Business Day period, your servicer may not provide information to a consumer reporting agency concerning any overdue payment related to such period or qualified written request. However, this does not prevent the servicer from initiating foreclosure if proper grounds exist under the mortgage documents.
